

California Regional Water Quality Control Board, San Diego Region

APRIL 24, 2014 PUBLIC WORKSHOP Tentative Investigative Order No. R9-2014-0020

Purpose of Workshop: This Workshop is part of the Public Participation process intended to obtain public input for the development of the tentative Investigative Order. The format of the Workshop is intended to foster open and constructive discussions, to allow the public the opportunity to ask clarifying questions regarding the proposed Investigative Order, and provide the San Diego Water Board with comments and suggestions. The San Diego Water Board encourages the public to submit written comments to ensure that the comments are clearly understood. The deadline for submitting written comments is 5:00 pm on May 5, 2014. The San Diego Water Board will provide responses to all written comments. The Public Participation process also includes the opportunity to provide oral testimony during the Public Hearing on the adoption of the proposed Investigative Order during the June 26, 2014 San Diego Water Board Meeting.
